

# Columbia Pike Business Opportunity Network

PRESENTED BY BIZLAUNCH AND COLUMBIA PIKE REVITALIZATION ORGANIZATION

## Free Networking Breakfast Event for Pike Area Businesses

*BizLaunch and the Columbia Pike Revitalization Organization (CPRO) are hosting a series of networking opportunities for small businesses on Columbia Pike and other professionals interested in this redeveloping corridor. These events offer entrepreneurs an opportunity to meet other local business people, discuss common challenges and share solutions. People you meet may become new customers, plus you'll develop new contacts from the government, nonprofit and private sectors that can be helpful to your business.*

## Columbia Pike is Changing...Is Your Business Ready?

*Major redevelopment of commercial properties along the Pike will bring new residents and office workers. This means more customers for your business, but also new competition: now is the time to review your business plan, develop creative marketing strategies, strengthen the loyalty of your customer base and prepare to take advantage of new opportunities.*
